Nationals May Be Winners -:|:- -:|:-Final Games Held This Week

P ROVIDING that they can continue the stiff pace set during the earlier months of the season, the City National bowling team will doubtless walk away with the 1917 big league pennant at the Cactus alleys when the schedule closes this week. While pressed closely by the Tri-State Motor aggregation the City National team has a substantial lead, and unless something unforescen develops they will come out on top. K. H. Aber will doubtless head the individual averages of the league with Bill Williams a close second

The Real Estate team justified predictions in the industrial league and came over the wire easy winners. The Koenig team members were returned winners in the Smelter league. The official team and individual averages of the Cactus alleys for the past week are:
